BETWEEN: THE CITY OF KAMLOOPS
(Hereinafter called the "Employer") PARTY OF THE FIRST PART

AND: THE CANADIAN UNION OF PUBLIC EMPLOYEES,
LOCAL NUMBER 900

Chartered by the Canadian Union of Public Employees and affiliated with the
Canadian Labour Congress
(Hereinafter called the "Union") PARTY OF THE SECOND PART

PREAMBLE

WHEREAS it is the desire of both parties to this agreement:

1. To maintain the existing harmonious relations and settled conditions of employment between the City of Kamloops (Hereinafter called the "Employer") and the Union.
2. To recognize the mutual value of joint discussions and negotiations in all matters pertaining to working conditions, hours of work, and scale of wages, etc.
3. To encourage efficiency in operation.
4. To promote the morale, well-being, and security of all the employees in the bargaining unit of the Union.

AND WHEREAS it is now desirable that methods of bargaining and all matters pertaining to the working condition of the employees be drawn up in agreement.

NOW THEREFORE, the parties hereto agree as follows:

ARTICLE 1: RECOGNITION AND NEGOTIATIONS

a. Bargaining Agency

The Employer and anyone authorized to act on its behalf recognizes the Canadian Union of Public Employees, Local No. 900 as the sole collective bargaining agency for its employees classified and covered by this agreement and hereby consents and agrees to negotiate with the Union or any authorized committee thereof, in any and all matters affecting the relationship between the parties to this agreement, looking forward to a peaceful and amicable settlement of any differences that may arise between them.

b. Bargaining Unit Work

It is further agreed that, except for incidental or emergent situations and except employees of a bona fide contractor who are not in the bargaining unit for which the Union is certified, any person whose classification is not covered by the agreement shall not perform work that is normally done by those employees who are deemed to be within the bargaining unit for which the Union is certified.

c. Contracting Out

In recognition of the Employer's rights to contract out work and in recognition of the Employer's obligation to its employees, the parties agree as follows:

- i. In the event the Employer wishes to examine the feasibility of contracting out work currently being done by bargaining unit employees then the following process will apply:
 1. The Employer will provide the Union with an estimate of the cost of doing the work "in house."
 2. The Union may then provide the Employer with any suggestions on productivity improvements, cost, or efficiency savings. In the event that the Union wishes to respond, it will do so within ten (10) working days of receiving said cost estimate.
 3. Shadow bidding may be used in certain circumstances.
- ii. Employees with not less than ten (10) years of service will not lose their employment as a result of contracting out.
- iii. Employees who are displaced by the contracting out of their job and covered by (ii) above, shall have the option of receiving severance pay at a rate of one (1) week's pay for each year of seniority to a maximum of ten (10) weeks pay upon severing their employee/employer relationship. The employee shall have up to three (3) months from the date of displacement to exercise their option. Severance pay will be paid at the rate of the job the employee was displaced from.
- iv. The Employer will pay out severance to the best advantage of the employee provided the payout does not contravene any law. It is understood that, should the payout extend over a period of time, the ex-employee is considered as severed and qualifies for no benefits whatsoever during such payout.

ARTICLE 2: MANAGEMENT RIGHTS

Except as otherwise provided in the agreement, the management, supervision, and control of the Employer's operation and the direction of the working force remain the exclusive function of management.

ARTICLE 3: NO DISCRIMINATION

The Employer and its servants and agents agree that there shall be no discrimination, interference, restriction, or coercion exercised or practised with respect to any employee in the matter of hiring, wage rates, training, upgrading, promotion, transfer, layoff, discipline, discharge, or otherwise based on the prohibited grounds of discrimination outlined in the British Columbia Human Rights Code or by reason of their membership in a labour union.

ARTICLE 4: UNION SECURITY

Every employee who is now or hereafter becomes a member of the Union shall maintain their membership in the Union as a condition of their employment, and every new employee whose employment commences hereafter shall within thirty (30) days after the commencement of their employment, apply for and maintain their membership in the Union as a condition of their employment.

ARTICLE 5: CHECKOFF OF UNION DUES

- a. At the time of employment the Employer shall require an employee to sign a checkoff form authorizing the Employer to deduct from their earnings and to pay to the Union an amount equal to the current monthly Union dues and initiation fees as established by the Union in accordance with its Constitution and/or Bylaws.
- b. Deductions shall be made from the Payroll on a bi-weekly basis for all employees, and shall be forwarded to the Local Union office bi-weekly, accompanied by a list of the names of all employees from whose wages the deductions have been made.

ARTICLE 6: THE EMPLOYER SHALL ACQUAINT NEW EMPLOYEES

The Employer agrees to supply new employees with a copy of this agreement and to draw their attention to the conditions of employment, set out in Articles 4 and 5 dealing with Union Security and Dues Checkoff. The Employer shall require new employees upon employment to sign an application for a membership card, such cards to be submitted to the Union Treasurer within thirty (30) days.

ARTICLE 7: LABOUR MANAGEMENT NEGOTIATIONS

a. Bargaining Committee

A Bargaining Committee shall be appointed and consist of not more than five (5) members of the Employer, as appointees of the Employer, and not more than five (5) members of the Union, as appointees of the Union. The Union shall advise the Employer of the Union nominees to the Committee.

b. Representatives of the Canadian Union

The Union shall have the right at any time to have the assistance of a representative of the Canadian Union of Public Employees when dealing with the Employer or negotiating with the Employer or its accredited bargaining agent.

c. Meeting of the Bargaining Committee

In the event of either the Employer or the Union wishing to call a meeting of the Committee, the meeting shall be held at a time and place fixed by mutual agreement. Such meeting shall be arranged within ten (10) calendar days after the request has been made.

d. Function of Bargaining Committee

The Bargaining Committee shall meet to discuss the renewal of the Collective Agreement or any other matters which may be referred to it under the terms of this agreement.

e. Time Off for Meetings

Any representative of the Union on this Bargaining Committee, who is in the employ of the Employer, shall have the privilege of attending meetings of the Committee held within working hours without loss of remuneration.

f. Labour/Management Meetings

- i. A Labour Management Co-operation Committee shall consist of not more than six (6) representatives of the Union, and not more than six (6) representatives of the Employer. The Committee shall enjoy the full support of both parties to the Collective Agreement in the interest of maximum service to the public.
- ii. The Committee shall not have jurisdiction over wages, or any other matter of collective bargaining, including the administration of the Agreement. The Committee shall not supersede the activities of any other Committee of the Union or the Employer and does not have the power to bind either the Union or its members or the Employer to any decision or conclusions reached in their discussions. The Committee shall have the power to make recommendations to the Union and Employer with respect to its discussion and conclusions and shall determine its own terms of reference.

g. Safety Committee

The Employer and the Union shall actively participate in the promotion of healthy and safe working practices and behaviours and shall cooperate with WorkSafeBC in complying with the *Workers' Compensation Act* and Occupational Health and Safety regulations.

A Safety Committee shall be set up as required by the provisions of WorkSafeBC. The Employer and the Union shall each appoint members to this Committee. Meetings shall be held each month and during working hours.

ARTICLE 8: SENIORITY**a. Seniority List**

Seniority is length of service of employment with the Employer and shall apply on a bargaining-unit-wide basis. The Employer shall maintain a seniority list showing the date upon which each employee's service commenced. An up-to-date seniority list shall be sent to the Union and posted on all bulletin boards in January of each year.

b. Acquiring Seniority

Newly hired employees shall not acquire seniority during their probation period as stated in Article 10(c).

On successful completion of the probation period, employees shall be granted seniority effective their date of hire. Where this situation results in the same seniority date for two or more employees, total hours worked will then be used. The employee with the most hours worked in the probation period will be deemed the senior employee on that date of hire, with the remaining ranked according to their total hours worked. This will be identified on the seniority list.

In the event the total hours worked does not break the tie, a coin toss or some other method satisfactory to the Union will determine the new seniority date for each remaining employee with the same seniority date.

Employees who have the same seniority date and are on payroll as of January 1, 2011, will be able to use a coin toss to determine job selection.

c. Maintaining Seniority

During an absence due to sickness, accident, or leave of absence approved by the Employer, seniority rights are maintained for twelve (12) months.

An extension may be granted by mutual agreement of the Parties.

During transfer to a non-bargaining unit position, seniority is retained for twelve (12) months during which time the employee may return to their former bargaining unit position. After twelve months of non-bargaining unit employment, the employee relinquishes any rights to bargaining unit positions.

During service in a non-bargaining unit position as stated in Article 8(c), the employee shall continue to pay Union dues based on the last bargaining unit position occupied.

d. Losing Seniority

Continued employment shall cease when seniority is lost.

If re-employed, such person shall start as a new employee and seniority rights and other benefits based upon their length of service with the Employer shall be calculated from the re-employment date.

Seniority is lost for these reasons:

- i. Discharge for just cause without reinstatement.
- ii. Resignation.
- iii. Absence from work in excess of five (5) working days without notifying the Employer unless such notice was not reasonably possible.
- iv. Not returning to work within seven (7) calendar days after written notice of recall, unless through sickness or other just cause. Employees shall advise the Employer of their current address.
- v. After a layoff of twelve (12) months.

ARTICLE 9: LAYOFFS AND REHIRINGS

a. Notice of Layoff

The Employer shall notify employees with seniority rights who are to be laid off five (5) working days before layoff is to be effective. The provisions of this clause shall not apply because of temporary suspension of work due to inclement weather.

b. Layoffs and Rehiring Procedure

The Employer and the Union recognize that job security should increase in proportion of length of service. Therefore, in the event of a layoff, employees shall be laid off in the reverse order of their seniority, provided that those employees retained are qualified to do the work.

The parties agree the following procedure shall apply in the event of Layoffs and Recalls:

- i. The Employer will notify the Union of the number of employees who are to be laid off, who will then be laid off in reverse order of their seniority, in accordance with the following:
 - ii. 1. In the event of a layoff, seniority shall govern provided the employee is qualified to do the work. An employee may choose to be laid off with the consent of the employer and the executive of the unit.
 - 2. Should a full time employee elect to bid on and secure a traditionally seasonal position they shall forfeit the right to be placed in a full time position upon layoff from the traditionally seasonal position.
- iii. In the case of layoffs the Union agrees that where the next junior employee is retained, to complete a job in progress, the retaining of their service for a period not exceeding five (5) working days shall not be considered a violation of the agreement and provided also that employees laid off have not been doing similar work.
- iv. Except in cases of redundancy, as defined in Article 27(a) or a layoff in excess of eight (8) months, inside and outside positions shall be separated for the purpose of layoff and recall.

- v. Employees shall be recalled from layoff in order of seniority provided they are qualified to do the work.
- vi. Those employees who are recalled from layoff shall return to their former job and classification held prior to layoff, consistent with their seniority, when the job is refilled.

c. Continuation of Benefits

In cases of temporary layoffs, the Employer agrees to maintain the payment of its share of the monthly premium to Medical Services Plan Contract, Extended Health Benefits and Dental for a maximum period of two (2) months in any contract year, providing that the employees contribute their own share during the period of such layoff. Where employees require the maintenance of continuation of benefits, contributions for the total cost of the premiums shall be paid by the employee to the Payroll office or deducted from final pay cheques provided at layoff.

ARTICLE 10: PROMOTIONS AND STAFF CHANGES

a. Job Posting Procedures

Prior to filling any staff changes or promotions covered by the terms of this agreement, the employer shall post notice on all bulletin boards for a minimum of five (5) working days City-wide, in order that all members will know about the position and be able to make written application; therefore, such notice shall contain the following information:

Nature of position, required knowledge and education, ability and skills, shift, and wage and salary rate or range. Copy of the notice shall also be sent to the Secretary of the Union.

- i. The appointment will be awarded to the senior applicant with the required qualifications.
- ii. The next qualified applicant that applied on the original posting will then be offered that position.
- iii. Should the applicant list be exhausted or there are no other qualified applicants, the job will then be re-posted as per this Article.
- iv. The Employer agrees that it will post all seasonal jobs upon conversion to full-time status.

b. Method of Making Appointments

The Employer and the Union recognize that job opportunity should increase in proportion to length of service. Therefore, in making staff changes, appointment shall be made of the applicant senior in service and having the required qualifications.

c. Probation Periods**i. Crew Leader and Union Supervisory positions:**

Employees selected for Crew Leader and Union Supervisory positions shall have a probation period of four (4) months. External hires for these positions shall have a probation period of six (6) months.

The positions to which the extended probation period applies are those with fifty-six (56) points or more allocated for supervisory duties in the Job Evaluation Plan, and the Crew Leader - Bylaw Services.

ii. Apprentices (see "Apprenticeships" Letter of Understanding)

Newly hired and existing employees shall be placed on a six (6) month probation period. The Union agrees to consider an extension of the probationary period if requested by the City.

iii. All other positions:

Employees selected for all other positions shall have a probation period of thirty (30) worked days. External hires for these positions shall have a probation period of four (4) months. Employees shall be confirmed in the position conditional on satisfactory completion of the probation period.

d. Probation Failure

i. For existing employees, in the event the successful applicant proves unsatisfactory in the position during the aforementioned probation period, they shall be returned to their former position without loss of seniority or previous salary, and any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position without loss of seniority and previous salary.

ii. If an apprentice with seniority is unsuccessful during the six (6) month probationary period, or is not successful in passing the required educational courses during the apprenticeship term, they will be returned to their former position without loss of seniority or previous salary, and any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position without loss of seniority and previous salary.

If the unsuccessful apprentice has not acquired seniority, their employment with the City will be terminated.

iii. The employment of externally hired employees may be terminated at any time during the probation period at the absolute discretion of the employer, provided however, that such discretion is not used in an arbitrary, perverse, or capricious manner.

e. Union Notification

The Employer shall give ongoing notice to the Union of all appointments, promotions, hirings, terminations of employment, addresses of new employees and change of addresses of employees.

f. Job Training Program

The Employer agrees, wherever practical, to provide an opportunity for employees to receive on-the-job training to facilitate qualifications for promotion, in the event of a vacancy arising in a position senior to their own, or upgrading to enhance job proficiency of incumbents.

Such opportunities for training shall be allocated according to seniority and aptitude. In order to monitor the job training/upgrading system and selection of applicants, the parties agree to establish a job training committee comprised of three (3) members from management and three (3) members from the Union who will make recommendations to the City Administration.

ARTICLE 11: GRIEVANCE PROCEDURE**a. Grievance Committee**

The Employer acknowledges the right of the Union to appoint or otherwise select a Grievance Committee of three (3) members who shall be employees of the Employer. The personnel of such committee shall be communicated to the Employer.

b. Grievance Definition

Should a dispute arise between the Employer and any employee(s) regarding the interpretation, meaning, operation, or application of this agreement, including any question as to whether a matter is arbitrable, or where an allegation is made that this agreement has been violated, or should any other dispute arise, an earnest effort shall be made to settle the dispute.

c. Grievance Discussions

- i. **Pre-grievance Discussion** - The employee(s) may, at their discretion, first seek to settle the matter with their Supervisor. If an employee chooses to do so, they may attend this meeting with or without a Union Steward. It is understood that any resolutions arrived at during this informal stage are non-precedent setting and non-binding on the parties.

These conditions will apply to the pre-grievance discussion:

1. Attendees may be the Grievor, Supervisor or Manager, and Union Steward.
2. The Union will make a verbal disclosure of the facts of the issue and the resolution sought.
3. The issue will be raised within forty-five (45) days of the incident giving rise to the investigation.
4. The City will respond verbally and may confirm in writing within ten (10) working days of the investigation meeting.

Failing a satisfactory settlement of the matter at the pre-grievance discussion, the parties will meet to discuss the dispute in the following manner:

- ii. **Step 1** - Individual grievances, including those about coaching and discipline up to and including termination:
 - 1. The management panel shall be the Director of the Department and the Grievor's Manager OR Supervisor, plus a Human Resources representative (maximum three (3) people).
 - 2. The Grievor may attend in addition to the Union Grievance Committee, which may include the Union Steward (maximum three (3) people plus the Grievor).
 - 3. The Union will make written disclosure of issue facts and resolution sought (not just the grievance form, but an honest effort to be specific, based on the pre-grievance meeting fact finding).
 - 4. The Union will file the grievance at Step 1 within ten (10) working days of the response received at the pre-investigation meeting stage.
 - 5. The meeting will be held as quickly as possible once the grievance is filed.

The City will respond in writing within ten (10) working days of the Step 1 meeting.

- iii. **Step 2** - Individual grievances forwarded from Step 1 and Policy
 - 1. The management panel shall be the Chief Administrative Officer, a Human Resources representative, and another person selected by the Chief Administrative Officer (maximum three (3) people plus a management representative to present the City position or advise the panel).
 - 2. The Grievor may attend in addition to the Union Grievance Committee, which may include the Union Steward (maximum three (3) people plus the Grievor).
 - 3. The Union will make written disclosure of issue facts and resolution sought.
 - 4. The Union will advance the grievance to Step 2 within ten (10) working days of receiving the Step 1 response from the City
 - 5. The meeting will be held as quickly as possible once the grievance is filed.
 - 6. The City will respond in writing within ten (10) working days of the Step 2 meeting.

iv. **Step 3 - Arbitration**

1. Failing a satisfactory settlement at Step 2, the Union may refer the grievance to arbitration within fifteen (15) working days of receiving the City's response at Step 2.
2. The report of the arbitrator shall be final and binding on the Employer and the Union but the Arbitrator shall not have the power to change the terms of the agreement.

d. **Employer's Grievance**

The provisions of Step 2 shall be changed to require a meeting between the Union and the Chief Administrative Officer with a view to seeking a settlement. If a satisfactory settlement is not reached within fifteen (15) working days of the Step 2 meeting response from the Union, the Employer may refer the dispute to an Arbitrator.

e. **Single Arbitrator**

The parties agree to use a single arbitrator to hear any grievances.

f. **General conditions for grievance**

- i. Grievances settled satisfactorily within the time allowed shall date from the time the grievance was filed.
- ii. The Employer shall supply the necessary facilities for the grievance meetings.
- iii. The time limits fixed in the grievance procedure may be extended by mutual agreement of the Employer and the Union.
- iv. At any stage of the grievance procedure, the Employer and the Union, or the Arbitrator may have the assistance of the employee(s) concerned as witnesses and any other witnesses, and all reasonable arrangements will be made to permit access to any part of the Employer's premises to view any working conditions which may be relevant to the settlement of the grievance.

ARTICLE 12: DISCIPLINE, DISCHARGE, OR SUSPENSION**Discharge Procedure**a. **Steward Present at Interview**

Where a Supervisor intends to hold an investigative meeting with an employee that has the potential to lead to discipline, the Supervisor shall provide the employee with advance notice and purpose of the meeting in order that the employee may contact the Union to arrange for a steward to be present. The Supervisor, or a representative from Human Resources will also provide the Union with meeting particulars, including the expected date, time and location of the meeting to be held.

b. Dismissal Only for Just Cause

An employee with seniority may be suspended or dismissed only for just cause. Such employee and the Union shall be advised promptly in writing by the Employer of the reason for such dismissal or suspension.

c. Legal Picket Line

Just cause shall not include the refusal of an employee to cross the picket line of a legal strike.

d. Pre-dismissal Review Period

Where the Employer considers that just cause exists for dismissal of an employee, such dismissal shall not go into effect until the employee has been so notified and a period of forty-eight (48) hours has elapsed from the time of such notification. During the said period of forty-eight (48) hours, the employee concerned shall be suspended without pay and the Employer shall review the circumstances involved. At the conclusion of the said period of forty-eight (48) hours the Employer shall either proceed with the dismissal or impose a lesser penalty. In the event the Employer finds that disciplinary action is not warranted, or that suspension is too severe, the employee shall be reinstated with payment for such time that they may have lost from work as a result of having been suspended.

e. Dismissal/Suspension Grievances

An employee considered by the Union to be wrongfully or unjustly discharged or suspended shall be entitled to a hearing under Article 11, Grievance Procedure. Upon mutual agreement, Step 1 of the Grievance Procedure may be omitted in such cases.

f. Reinstatement Conditions

Should it be found upon investigation that an employee has been unjustly suspended or discharged, such employee shall be immediately reinstated in their former position, without loss of seniority rating, and shall be compensated for all time lost in an amount equal to their normal earnings during the pay period next preceding such discharge or suspension, or by any other arrangement as to compensation which is just and equitable in the opinion of the Employer and the Union or in the opinion of the Board of Arbitration if the matter is referred to such a Board.

g. Letters on File

Letters of Expectation and Disciplinary letters will be removed from an employee's file after three (3) years, providing the employee has made such a request and that no other behavioural or performance issues have occurred during that three (3) year period.

- a. Shall inform the Minister of Labour of its findings.

- b. May then or later make any one or more of the following orders:
 - i. that the change be made in accordance with the terms of the Collective Agreement unless the change alters significantly the basis upon which the Collective Agreement was negotiated;
 - ii. that the Employer will not proceed with the technological change for such period, not exceeding ninety (90) days, as the Arbitration Board considers appropriate;
 - iii. that the Employer reinstate any employee displaced by reason of technological change;
 - iv. that the Employer pay to that employee such compensation in respect of their displacement as the Arbitration Board considers reasonable;
 - v. that the matter be referred to the Labour Relations Board (under Section 54 of the Labour Code of British Columbia).

The Employer will give to the Union in writing at least ninety (90) days' notice of any intended technological change that:

- a. Affects the terms and conditions or security of employment of a significant number of employees to whom this Collective Agreement applies; and
- b. Alters significantly the basis upon which the Collective Agreement was negotiated.

ARTICLE 25: PRESENT CONDITIONS AND BENEFITS

All rights, benefits and working conditions which employees now enjoy, receive or possess as employees of the Employer shall continue to be enjoyed and possessed insofar as they are consistent with this Agreement but may be modified by mutual agreement between the Employer and the Union.

ARTICLE 26: GENERAL

Wherever the singular or the masculine is used in this Agreement, it shall be considered as if the plural or the feminine has been used where the context of the party or parties hereto so require.

Wherever the word spouse, husband, wife, or common-law spouse is used in this agreement, they also mean same-sex partner.

ARTICLE 27: SEVERANCE PAY

a. Conditions for Severance Pay

Subject to the conditions set out in Sections (b) to (f) inclusive, the Employer will provide severance pay equivalent to one (1) week's pay for each year of service to employees who are unable to continue in their jobs because of non-compensable injury or illness, mental or physical conditions, or who become redundant due to the introduction of new methods, equipment or organization.

b. Placement, Training, and Retraining

The Employer will endeavour to place an employee referred to in Section (d) in other work consistent with their mental or physical condition or other qualifications and will endeavour to provide any necessary training or retraining. Except for the situation referred to in Section (c), should the employee refuse to be placed in such other work or to undergo training, they shall not be entitled to severance pay.

c. Severance Pay on Redundancy

Notwithstanding the provisions of Section (b), an employee who becomes redundant due to the introduction of new methods, equipment or organization, shall be entitled to severance pay if the only other work in which they can be placed or for which they can be trained falls within a lower rated classification than the job they held at the time they became redundant.

d. Eligibility for Severance Pay

To become eligible for severance pay an employee must have completed not less than ten (10) years of continuous service in the employ of the Employer.

The Employer will provide severance pay to non-continuous employees who have completed not less than ten (10) years of service on the following basis:

- i. The employee's months of service are totalled and divided by twelve (12) to get the actual worked years/months. The employee is then eligible to be paid one (1) week's pay for each full year of service. Partial years of service shall be paid on a pro rata basis.

e. No Severance Pay on Layoff Due to Shortage of Work

The provisions of this Article do not apply to employees who are laid off due to shortage of work and not because of redundancy as defined in Section c.

- f. The amount of severance pay to which an employee shall be entitled shall not exceed ten (10) weeks.

ARTICLE 28: TERM OF AGREEMENT

This Agreement shall take effect from January 1, 2024, and shall remain in effect until December 31, 2025, and thereafter from year to year unless either party to this Agreement gives notice to commence Collective Bargaining in accordance with the provisions of the British Columbia Labour Relations Code. During the period of negotiations, this Agreement shall continue in full force and effect.

The parties to this Agreement hereby exclude the operation of Section 50 of the Labour Relations Code.

Advance Notice of Volunteer Work

LETTER OF UNDERSTANDING

BETWEEN: CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL 900 (The Union)

AND: CITY OF KAMLOOPS (The Employer)

RE: ADVANCE NOTICE OF VOLUNTEER WORK

The City agrees to provide the Union with reasonable notice in advance of any volunteer work involving the City and to engage in reasonable advance discussion with the Union over that work.

The parties agree that volunteer work can be done by mutual agreement with the Union.

On a "without prejudice" basis, the Union agrees to allow any present ongoing upkeep, cleanup and maintenance works to continue.

Any new or additional construction or projects, or new or additional upkeep, cleanup or maintenance shall be covered by this Letter of Understanding, even where similar work has been done before.

Signed February 26, 1990

Renewed for the 2024-2025 Collective Agreement term

Apprenticeships

LETTER OF UNDERSTANDING

BETWEEN: CITY OF KAMLOOPS (The Employer)

AND: CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL 900 (The Union)

RE: APPRENTICESHIP AGREEMENT

SCOPE

The Employer and the Union recognize the importance of creating an apprenticeship program for skilled trades. An apprenticeship is a training opportunity. If the employee successfully completes the training opportunity, the employee may apply for any current vacant position in the trade for which they have apprenticed. If the apprentice is not the successful candidate, or if there is no vacant position at the end of the apprenticeship program, the employee will be placed on the on-call Labourer list for available relief work, and may post on any position for which they are qualified.

The Employer may hire an apprentice at any level, based on the needs of the organization. The Employer may hire an apprentice for a temporary term.

An Employee is only allowed one apprenticeship training opportunity in their career with the City of Kamloops.

PAY SCHEDULES

The following pay schedules are meant to align with the SkilledTradesBC levels.

Timeline	% of Journeyperson Rate
Starting Wage	65%
After completion of 1st year	75%
After completion of 2nd year	85%
After completion of 3rd year	95%
After completion of 4th year*	100%
*and formal receipt of Trade Qualification	

The above schedules are contingent upon the apprentice successfully completing each schooling level of the apprenticeship and meeting the required working hours for each level.

EVALUATION OF APPRENTICE

If an Employee is not successful in passing any level of schooling, they will be permitted to remain in the apprenticeship, provided they re-write the failed exam for that level at the next available opportunity as approved by the Employer. The apprentice will only be permitted one (1) re-write per level of schooling. If the apprentice does not pass the exam, the training opportunity will end.

APPRENTICE COMMITMENT

For the duration of the apprenticeship, the employee is not permitted to apply for any other City of Kamloops job postings unless agreed to by the Employer.

ARTICLE 9(b) - Layoffs and Rehiring

The apprentice will be laid off before junior, fully-qualified journeypersons.

The apprentice will be recalled last, after junior, fully-qualified permanent journeypersons.

ARTICLE 10(c) - Trial Period

Newly hired and existing employees shall be placed on a six-month probation period. The Union agrees to consider an extension of the probationary period if requested by the City.

The Employer recognizes that there is a joint responsibility for the development and success of the apprentice. It is the Employer's obligation to regularly monitor and assess the apprentice's work to ensure that they are completing the required apprenticeship training, as outlined by SkilledTradesBC. It is the Employee's obligation to attend the schooling required at regular intervals and to participate in applicable duties at the workplace.

If an apprentice with seniority is unsuccessful during the six-month probationary period, they will be returned to their former position without loss of seniority or previous salary, and any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position without loss of seniority and previous salary.

If an apprentice without seniority is unsuccessful during the six-month probationary period, their employment with the City will be terminated.

If an apprentice with seniority passes their probation period but is unsuccessful in passing any of the required educational courses during the apprenticeship term, they will be removed from the apprenticeship training opportunity, will retain their seniority for a period of one year from the date of removal from the apprenticeship and can apply for any vacancies throughout the City using their qualifications and seniority.

ARTICLE 10(e) - Job Training Program

The Employer will reimburse tuition and course material fees on proof of successful completion of each level of schooling completed during the apprenticeship.

ARTICLE 18(e) - General Leave

An unpaid Leave of Absence will be granted to attend courses related to the apprenticeship. Details relating to any Leave of Absence will be considered under the corporate Leave of Absence policy as it may be amended from time to time.

The Employer will implement an EI Subsidy Plan with top-up wages by the City to 95% of regular wages for each day of training attended. Apprentices will be required to apply for EI benefits while attending school.

ARTICLE 19 - Payment of Wages and Allowances

The apprentice will be entitled to any earned benefits during the term of the apprenticeship including during educational leaves of absence.

The Collective Agreement provisions shall apply except as modified by this Letter of Understanding.

4. Employees must provide twenty-one (21) calendar days written notice to management in advance of the training date.

In addition, the Employer agrees to provide OFA, NLS, WSI, LSI, and AED training a minimum of twice a year.

This agreement comes into effect January 1, 2012. The City will review this enhanced program throughout the term of the current Collective Agreement to determine its ongoing feasibility. The Union will be provided an opportunity to provide input into that review.

BETWEEN: CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL 900 (The Union)

AND: CITY OF KAMLOOPS (The Employer)

RE: Caretakers

(For clarification, this Letter of Understanding does not apply to Caretaker II or Crew Leader – Building Maintenance, which are separate classifications.)
4. All Caretakers will be paid at Pay Grade 1 (inside). This rate is subject to all negotiated wage increases for that pay grade. Article 20 will not apply.
5. Caretakers will continue to not be eligible for shift differential.
6. All terms and conditions for Caretakers apply to current City employees and external applicants bidding into the Caretaker classification as of the date of the signing of this Letter of Understanding.
7. The Employer agrees to not exercise its right under Article 1(c) in regards to Caretaker work for the duration of the term of the Collective Agreement to commence in January 2019. The Employer reserves the right to contract out as per Article 1(c) at any time after the expiry of that Collective Agreement. RE: CO-OP STUDENT HIRES

The parties agree there is a benefit to supporting Co-op Student Education and that Co-op Students may be hired for Co-op Work Term(s) at the City of Kamloops.

Prior to hiring a Co-op Student, the City agrees to determine whether a laid off worker with the required skills could accomplish the required work. The employment of Co-op students will not reduce or displace staff complements in the organization.

To that end, the Parties agree to implement a Co-op Student program under the following terms:

1. Co-op student hires will be required to become members of CUPE 900 and union dues will apply.
2. Co-op Students are hired for four (4), eight (8) or twelve (12) month terms that are relevant to the student's program of study. The length of appointment will normally be four (4) or eight (8) months.
3. Students hired under the Co-op Student Employment Letter of Understanding must be registered in a recognized University or College education program.
4. A maximum of two (2) Co-op Students per department, per term, may be employed under this letter at any one time.
5. The posting and filling of Co-op positions will be done in accordance with their educational institution's recruitment procedures. Article 10 (a)(b)(c)(d) will not apply.
6. The Co-op Students' wages will be in accordance with the following salary rates:
 - i. Co-operative Education Term 1 (first 4 months of work term) – 60% of job rate of job performed.
 - ii. Co-operative Education Term 2 (second 4 months of work term) – 70% of job rate of job performed.
 - iii. Co-operative Education Term 3 (third 4 months of work term and all subsequent work terms) – 80% of job rate of job performed.
7. Consecutive work terms will result in an increase in benefits paid. Work term 1 includes four percent (4%) in lieu of benefits, work term 2 includes eight percent (8%) in lieu of benefits and work term 3 and all subsequent work terms include twelve percent (12%) in lieu of benefits.
8. Co-op Students' hours of work will be the same as the CUPE members working in the same area. Modified work schedules shall be made by mutual agreement of the parties.
9. Co-op Students do not accrue seniority for the term of their appointment.

10. Co-op Students are not eligible for overtime, nor alteration of work hours in a way which prevents a CUPE member from being offered overtime.
11. Co-op Students may be granted unpaid time off with written approval from their supervisor. Such requests must be made in writing at least 1 week prior to the dates requested.
12. This agreement may be reviewed every 6 months upon request and may be cancelled by either party with 30 days notice. If this agreement is cancelled, any current students will be allowed to conclude their work term.

Job Share Work Arrangement

LETTER OF UNDERSTANDING

BETWEEN: CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL 900 (The Union)

AND: CITY OF KAMLOOPS (The Employer)

RE: JOB SHARE WORK ARRANGEMENT

1. Where opportunity exists, and by mutual agreement, an employee may apply for the creation of a job share work arrangement. This arrangement will consist of a job share work arrangement that involves splitting a full-time position into two part-time positions.
2. The hours of work for the two part-time incumbents will be decided on a case-by-case basis.
3. The two part-time incumbents must be available to work additional shifts when there is an unplanned leave of absence of the other job share incumbent.
4. The two part-time incumbents must make every effort to schedule personal appointments on their time off work.
5. The two part-time incumbents must not hold any other positions with the City of Kamloops.
6. This work arrangement is in place of one full time position and therefore only one part-time incumbent may exercise their right to benefits at any given time.
7. If the incumbent with the higher seniority works enough hours to become eligible for benefits, they will have the first option to exercise their rights as per Article 19 of the Collective Agreement. If the incumbent higher in seniority elects not to exercise their right as per Article 19 of the Collective Agreement or does not qualify, the junior employee may then do so.
8. The other (junior in seniority) non-benefitted incumbent may choose to work additional shifts above the required coverage but forfeits their right to be eligible for benefits as per Article 19 of the Collective Agreement. This incumbent will continue to receive 14% in lieu of benefits.
9. The two part-time incumbents will have the right to trade shifts to allow for their requested time-off, subject to the approval of the Employer and to mutual agreement between the incumbents.
10. Neither party intends this agreement to become precedent for future job share work arrangements.
11. A job share will be reviewed if either incumbent leaves the position. If a job share ends in this way, the remaining incumbent will be considered for the full-time position as evaluated on a case-by-case basis.
12. This agreement may be ended by either party with sixty (60) calendar days' notice.

AND: CITY OF KAMLOOPS (The Employer)

RE: MODIFIED SCHEDULING PROGRAM

Definition of Modified Schedule: Modified Scheduling is an ability to alter a full-time employee's shift. Modified scheduling must precede or follow a core time during which all employees must be present.

 - a. Five (5) Recreation Facilities Maintenance Supervisors
 - b. Ten (10) Recreation Facilities Attendants - Arenas
 - c. Two (2) Recreation Facility Attendants - Pools

5. Should City Council decide to reduce the complement of recreation facilities staff, the Union will be given thirty (30) days' notice. LETTER OF UNDERSTANDING

BETWEEN: CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL 900 (The Union)

AND: CITY OF KAMLOOPS (The Employer)

RE: STREETS DIVISION BARGAINING UNIT COMPLEMENT AND HOURS OF WORK

The complement of bargaining unit staff shall be set at no less than twenty-eight (28) and shall be based on the levels of service approved by Council from time to time. This does not prevent City Council from reducing the minimum complement by altering levels of service or altering the methods of delivering the levels of service. The minimum complement of staff shall not be frivolously reduced and shall reflect approximately the actual number of employees normally working during the winter season. Seven (7) days advance notice shall be given to the Union prior to consideration of a complement reduction.

The hours of work during the winter months shall be as follows:

1. Day Shift: 8:00 am to 4:00 pm - Monday to Friday.
(One [1] Crew Leader, One [1] Lead Hand - Eleven [11] Equipment Operators at minimum)
2. Afternoon Shift: 4:00 pm to 12:00 midnight - Monday to Friday.
(One [1] Lead Hand - Eleven [11] Equipment Operators at minimum)
3. Night Shift: 12:00 midnight to 8:00 am - Monday to Friday.
(One [1] Lead Hand - Eleven [11] Equipment Operators at minimum)

Streets Department employees who are on vacation, health leave, or leave of absence pursuant to Articles 18(a), 18(b), 18(c), 18(e), and 18(f). shall be deemed to be part of the complement of staff referred to in 1 and 2 above.

When employees are first assigned to shifts other than normal day shift they shall receive overtime rates of pay for the first shift only and regular rates of pay plus shift differential pay thereafter. No overtime premium shall be paid when an employee returns to their regular shift.

Employees shall be required to indicate their shift preference prior to implementation of the winter schedule each season. Preference over shift assignments shall be determined by employee seniority at the beginning of each winter season.

Employees who have been assigned to shifts other than normal day shift and who represent the Union at scheduled Union/Employer meetings, which are held at time other than their assigned shift, shall receive equivalent compensatory time off. Time off shall not be unreasonably denied.

The Employer shall pay annual medical fees for maintaining a Class 1 Driver's Licence in the Streets Department.

Streets Division - Standby Procedures Winter Season Snow and Ice Control

LETTER OF UNDERSTANDING

BETWEEN: CANADIAN UNION OF PUBLIC EMPLOYEES LOCAL 900 (The Union)

AND: CITY OF KAMLOOPS (The Employer)

RE: STREETS DIVISION - STANDBY PROCEDURES
WINTER SEASON SNOW AND ICE CONTROL

To ensure prompt response to snow and ice control, standby crews will be on call throughout the winter weekends starting December 1 each year and ending March 1 each year. Each weekend two crews shall be on standby for twelve (12) hours per day; Shift 1 - midnight to 12:00 noon, and Shift 2 - 12:00 noon to midnight, starting Friday midnight and ending midnight Sunday.

Standby employees shall be called out by way of an employee supplied cell phone number.

Standby Crews

Two shifts will be created using seniority for shift selection:

Shift 1 - Midnight to noon - Twelve (12) hours.

Shift 2 - Noon to midnight - Twelve (12) hours.

The standby crews will consist of one (1) Crew Leader and a number of operators, which will be determined by the number of total operators currently on staff divided equally. Crews will alternate each weekend.

If an employee wishes to trade a shift with another worker, they may do this with the permission of the Supervisor or their designate. Such notice of change has to be given by 4:00 pm on Wednesday preceding the weekend standby shift, and every reasonable request shall be considered.

When an employee takes the place of another person wanting to trade their shift, or when providing health leave or vacation relief on the standby list, that employee will be placed in the vacant spot on the standby list as determined by the vacating or absent employee's seniority.

The Streets Supervisor or their designate will evaluate the five (5) day weather forecast every Thursday at 3:00 pm. The Supervisor or their designate will reduce the standby complement of workers by two (2) workers for the following weekend if there are favourable road conditions and a weather forecast with no mention of precipitation.

When workers are called out three (3) hours or less before the end of their standby shift, each worker will only be required to work three hours before going home.

When any or all workers are called out for emergency snow removal, they shall be permitted to go home once it is deemed that the City's service levels can be met.

The City forthwith shall train the Streets Crew Leaders to read and analyze the data for the five (5) day weather forecast.

Response Time

Employees on standby are expected to respond to the call and report to the Civic Operations Centre within thirty (30) minutes of the initial call, common sense prevailing.

Should additional staff be required, the response time shall be 75% of staff to report to Central Maintenance Yard within one (1) hour of a decision for extra staff. Call-in for extra staff will be done by seniority from the list of streets workers not on standby that particular weekend.

Vehicles

In an effort to achieve quicker response time, Crew Leaders shall be permitted to take their City truck home.

Food Vouchers

All employees called out, including those who are not on standby, shall receive a food voucher valued at twenty dollars (\$20.00).

Remuneration

Standby pay shall be paid out at the rate of one (1) hour regular rate of pay, for every four (4) hours of standby in addition to call-out pay entitlement under Article 14 of the Collective Agreement.

On a statutory holiday, the standby rate shall increase to one and a half (1.5) hours regular rate of pay for every four (4) hours of standby in addition to any call-out pay entitlement under Article 14 of the Collective Agreement.

Method of Payment

Standby pay to be used partially or wholly in the following manner:

1. Save for pre-retirement payout at the current rate of pay; or
2. Cash payout at current rates; or
3. Transferred into RRSPs or Municipal Pension Plan buyback; or
4. Banked.

Absenteeism

Employees who are unable to respond to being called, whether planned absences or sickness, must notify the Crew Leader in advance. Non-payment of standby and/or disciplinary action could result if an employee does not respond to a page for call-in work. Reasonable discretion will be used before any disciplinary action is imposed.

Any problems arising out of this Letter of Understanding will be dealt with in the shortest time frame as reasonably possible.
